announces

4th INTERNATIONAL MEETING AGRISCIENCE & PRACTICE (ASP 2024)

13 June 2024

In the past years the educational, research and applicative activities of the Faculty of Agriculture – Stip, Goce Delcev University – Stip, contributed to the development of agriculture sector in the country and broader region.

The Faculty of Agriculture organizes the 4th International Meeting Agriscience & Practice (ASP 2024), giving an opportunity to the participants for presentation and discussion of original scientific and practical results in current and significant fields of agriculture issues.

The 4th International Meeting Agriscience & Practice (ASP 2024) is organized with intention to bring together all agricultural stakeholders for sharing their knowledge, experience and obstacles. One of the main goals is to link research and field work in agricultural sector in the country and broader, giving it an international dimension.

The main goal of the Meeting is to connect and promote scientific achievements and practical knowledge presented in different thematic areas.

With great pleasure we invite you to actively participate on the Meeting.
